

# How to access NUS Student Email

---

- ❖ **Student Email** is a blended platform for students and its aim is to simplify communications, and distributing notices in an easiest way. It was introduced as a feature of Google Apps for Education and you must have an internet connection for you to be connected.
- ❖ All enroll students are now have their own student email (Google Account- Gmail Account)
- ❖ Below are some samples for students emails created.
  - **NOTE** –if you have two First names then we are only using the first First name.
  - **NOTE**–if you have two Last names then we are only using the first Last name

ID Number	First Name	Last Name	Email Address	Temp-password
112332	Togipa Daphne	AFAESE	<a href="mailto:togipa.afese@student.nus.edu.ws">togipa.afese@student.nus.edu.ws</a>	Student2@18
1214341	Esau Junior	AFERETI	<a href="mailto:esau.afereti@student.nus.edu.ws">esau.afereti@student.nus.edu.ws</a>	Student2@18
045768	Junior Pua	AFERETI ESAU	<a href="mailto:junior.afereti@student.nus.edu.ws">junior.afereti@student.nus.edu.ws</a>	Student2@18
165784	Susana Samoa	AFIOGA	<a href="mailto:susana.afioiga@student.nus.edu.ws">susana.afioiga@student.nus.edu.ws</a>	Student2@18

- ❖ All Students must have a Login to any Google Account to access this Google Classroom.
  - A valid username and a password.

- ❖ For your first login you will be able to change your password into your own and you need to verify it.
